State of California - Department of Conservation
Division of Oil, Gas, and Geothermal Resources

NOTE: Wells with directional surveys on file with the division are indicated with a short line under the well symbol.
Current well status should be confirmed at the appropriate division office.
The projected section lines on this map may have been realigned to conform with standards set by the Great Valley operators Committee. All well locations filed after 1/1/1983 are plotted with reference to realigned sections.
All well locations filed prior to 1/1/1983 are plotted with reference to old section corners.

The Department of Conservation makes no warranties as to the suitability of this product for any particular purpose.
